

INTELLIGENCE COMMUNITY STAFF

29 September 1975

NOTE TO: Executive Assistant to D/DCI/NIO

Dave -

I would appreciate it if you could give me a date when you expect to pass Perspectives Parts I and II to us for publication. Time is fleeting. We are already under way in preparation of the DCI's National Foreign Intelligence Program Recommendation for FY 1977-1981.

It would be imprudent not to have the Perspectives on the street well in advance of both the Objectives (in final coordination) and the NFIPR. We would like to get Perspectives out in early October. (Our current schedule in DCI Objectives calls for issuance of the next edition of Perspectives in January '76.)

As I mentioned to you on the phone, we do not expect any further inputs to Perspectives from the Community. I will incorporate Community remarks (relatively few) for Part III as soon as I can review final on Parts I and II to be consistent with context.
